**“A Resolution to Facilitate Discussion with Students”**

2      Whereas:      The voice and will of the students has been the subject of much  
3                        discussion, and

4      Whereas:      The outreach to the student body by the House of Student Representatives  
5                        has been lacking, and

6      Whereas:      The input of the student body is essential to the purpose of SGA and  
7                        House, therefore

8      Let it be resolved by the House of Student Representatives at Texas Christian University:

9                        (1)     The House of Student Representatives will set up a table to facilitate open  
10                        discussion with students, as well as serving as a resource to students. The  
11                        table will be placed in an academic building or the BLUU, and will rotate  
12                        to a different building each week.

13                        (2)     The table will be staffed by at least one member of the Academic Affairs  
14                        Committee and one member of the Student Experience Committee.

15                        (3)     All members of House, as well as the Student Body Officers are highly  
16                        encouraged to staff the table.

17                        (4)     For the spring semester of 2013, the table will be set up on Wednesdays  
18                        from 11:30 to 12:30. For each semester thereafter, the chair of the  
19                        Academic Affairs Committee and chair of the Student Experience  
20                        Committee will jointly set a weekly time for the table by the third House  
21                        meeting of the semester.
